That would be much preferred, thank you and will do. Talked to Bob Greiff and he's authorized me to proceed.
Thank you for lunch today and I appreciate the connection.

Subject: Request to SCWCB

Tim -

In your letter to the board, ask the board to withdraw our decision, not the application. Then you can just resubmit "amended" ROEs and we go from there.

Thanks!

Kevin M. Freeman, PG | *Principal Geologist*

Inland Earth Sciences Corporation
