Re: Withdrawal of Record of Decision and Report of Examination

A meeting of the (Board Name) Spokane County Water Conservancy Board was conducted in compliance with Chapter 42.30 RCW at (location of meeting) Spokane County Water District #3, 1225 N Yardley St, Spokane Valley, WA 99212 on (date) November 15, 2022.

The board had previously issued a Record of Decision and Report of Examination on (date of decision) August 22, 2022 in the matter of Application for Change/Transfer No. (application number) SPOK-22-01 filed by (applicant name) Robert H. Greiff & Robert W. Greiff. At the meeting mentioned above and by a majority vote, the board withdrew the referenced issued Record of Decision and Report of Examination for the following reason(s):

- Report of Examination requires greater specificity for right's place of use
- Additional analysis based on revised place of use will be required to satisfy Ecology PRO-1210 - Calculating and Applying the Annual Consumptive Quantity
- Preparation of maps/figures specifically showing current and proposed place of use is required

The withdrawal of the referenced Record of Decision and Report of Examination is effective as of the adjournment of the meeting of the board during which it was adopted. Upon Ecology concurrence to this withdrawal, the Ecology review period provided by RCW 90.80.080 is terminated without prejudice for the referenced application for change/transfer.

The applicant (did or did not) did not participate in the meeting and (concurs or does not concur) concurs with the withdrawal of the board's previous decision.

The board adopts the following plan for action on the application (*check one*):

- ☒ The board intends to revise and resubmit for Ecology review the record of decision and report of examination for the subject application.
- ☐ The board will take no further action on the subject application and has informed the applicant that the application may be filed with Ecology for processing.

Information relevant to the board's withdrawal action and a record of the Board's vote in this matter are attached.
